Offer Selection

If you are the registered owner of your vehicle and did not purchase it at the end of a lease on or after June 28, 2016, please select one of the two options below for the settlement of your claim. You may change your selection at any time by calling 1-844-98-CLAIM (1-844-982-5246).

Vehicle Buyback

Buybacks are available to Registered Owners who choose to **return their vehicles** for payment. The total offer compensates you for your vehicle and the cost of purchasing another vehicle, and it includes two components: 1) your vehicle return amount derived from the September 2015 NADA Used Car Guide Clean Trade value, adjusted for mileage and manufacturer-installed options; plus 2) additional restitution, which is the sum of a set percentage of the vehicle return amount and a flat dollar amount.

The amount received under this option will be affected by the vehicle mileage on the vehicle buyback date and the amount of any outstanding loan obligations on the vehicle. To learn more about this option, including how vehicle mileage and loan obligations will impact your payment amount, please visit www.VWCourtSettlement.com or call 1-844-98-CLAIM.

I elect the Buyback option. (You may change this selection later).

Emissions Modification & Extended Emissions Warranty (if approved by EPA & CARB)

Registered Owners who choose to **keep their vehicles** and receive an Approved Emissions Modification free of charge will receive an additional restitution payment, calculated using two components: 1) a percentage of the September 2015 NADA Used Car Guide Clean Trade value with an adjustment for manufacturer-installed options; and 2) a flat dollar amount.

Vehicles receiving an Approved Emissions Modification will also receive an **extended emissions warranty** covering the emissions system of the eligible vehicle.

To learn more about this option, please visit www.VWCourtSettlement.com or call 1-844-98-CLAIM.

I am interested in the Emissions Modification option, if approved. (You may change this selection later).
